And the member's order that an enquiry may be made. The paper under disposal is the result of the enquiry.

7 In the linked file the member was pleased to express a doubt as to whether such concessional grant of lands is allowable for temples of this class. In my note of 20.6.17 in File no 569 of 1916-17 I have indicated reasons why a special treatment may be accorded to this temple. The present request if sanctioned will go a long way in meeting the demand for additional Tasdik. When I was last at Hyderabad I heard on enquiry that the Hansoga lands were good ones and will yield a profit of at least Rs 20 an acre.

8. Mr. V. Jeyar says that the lands may be granted as additional Tasdik. It is not easy to understand what exactly he means by it. It seems to be sufficient to grant the extent as occupancy Revenue paying land at an upset price of Rs 50 an acre. If Mr. V. Jeyar is unable to find

* In the past such concessions have been granted to the temples as well e.g. Muppahalli temple. I required complete reports in the matter which were collected and submitted 22

Sir

Adverting to ^X No. 735/Muz.568-13-4 dated 18th September 1917, requesting to write to Mr.Venkatarangiar to select an extent of land not exceeding 10 acres either under the Mandagere or Alalamatte channel in the yedatore and Krishnarajpur Taluks, to be granted for the benefit of the Sri Venugopala Krishna Swami temple at Malleswaram, Bangalore City, I have the honor to forward herewith for the orders of Government a copy of letter dated 26th May received from Mr.Venkatarangiar stating that the special Land Acquisition officer has, as desired by the Mysore District Deputy Commissioner, reserved a block of ten acres of land out of the Chikka Hanasage village tank-bed in the Yedatore Taluk and requesting that the same may be endowed for the benefit of the said Institution.

2. The request may be granted.

I have the honor to be,

Your most obedient servant.

L.S.P.
1.

Letter dated Bangalore, 26th May 1918, from Mr. S. Venkatarangienagar, retired Assistant Commissioner and President of the Sri Venugopalakrishna Swami Temple Committee, Malleswaram, Bangalore, to the Deputy Commissioner, Bangalore District.

In continuation of my letter of the 13th instant, I have the honor to state that the Deputy Commissioner of the Mysore District, in his D.O. letter of the 23rd idem, advises me to select ten acres out of the tank-bed of ChikkaHanasoge village in the Yedatore Taluk, for the requirements of the Sri Venugopalakrishnaswami temple at Malleswaram, Bangalore, and informs me that the Special Land Acquisition Officer has reserved this area all in one block, for the said temple. As he further tells me that this is good alluvial soil, I am of opinion that it is preferable to the lands mentioned in my letter of the 13th instant. Accordingly I solicit that the Government of His Highness the Maharaja may be moved to endow ten acres of land in one good plot, out of about 20 acres available in the tank-bed of ChikkaHanasoge village, Yedatore Taluk, to the said temple, as an additional Tastik in land, the cash grant of Rs. 30/- per mensem, sanctioned in the Government Proceedings 3797-8002/Muz.P.36 of 1896, dated the 12th March 1906, being quite insufficient for the requirements of the temple, as explained in my letter dated the 23rd March 1918 to the Muzrai Superintendent and Joint Secretary to the Government of His Highness the Maharaja.
